## WHAT WILL **REGENTS MRI** DO FOR YOUR OFFICE?

Simply fax us the referral form or give us a call and we will do the rest.....

- **SCHEDULING...**Your patients will be scheduled in the first convenient time slot. Patients can usually be scanned the same day.  
**STAT's will always be accommodated the same day.**
- **COMMUNICATION...**Our staff is highly trained in scheduling, authorization, patient care, and processing reports. This gives us flexibility to assist you in any way possible. We will work hard to exceed your expectations.
- **AUTHORIZATION...**We will pre-authorize *ALL* your patients through their insurance company or worker's compensation carrier as a courtesy to your office.
- **PAYMENT OPTIONS...**We accept worker's compensation, most insurance carriers, and liens. We work with *ALL* insurance companies to keep your patients "out-of-pocket" expense to a minimum. If patients do need to pay out-of-pocket, our cash prices are the lowest in San Diego.
- **FILM OPTIONS::**
  - **Conventional Films** available to be hand carried by the patient when they leave or couriered to your office.
  - **ImageWeb** is an internet based product that allows you to view your patient's images and report(s).
  - **CD disk of images**
- **REPORTS...**We have a 24 hour maximum turnaround on final reports. Preliminary reports are usually issued for all STAT exams.
